

## Baysville's 150 Year Celebratory Time Capsule

When making the time capsule, be mindful that in 10, 20 or 30 years, technology will have changed. Imagine folks who made time capsules 30 years ago who may have put information on floppy disks or recorded things onto cassette tapes?!

### Mementos

- A facemask
- Birthday cards
- A local newspaper
- A store flyer
- A sample of product packaging of your favourite snack
- Your family tree
- A floor plan of your home
- A list of your favourite songs or the top 10 hits
- A menu from your favourite restaurant
- Items from your job or school (business card, etc.)
- A receipt from the grocery store
- A tracing of your child(ren)'s hand
- A thumb drive
- Covid-19 Time Capsule pages  
(a separate file to download from [www.baysville150.ca](http://www.baysville150.ca))

### Photos

Why not have a scavenger hunt around Baysville and take all of these photos in a single day? Be sure to put physical copies of the pictures in the capsule - a thumb drive may be obsolete by the time you open the capsule ;-) Also, make sure you label them! A few ideas to get you started...

- The exterior of the gas station showing the price of gas
- Baysville storefronts
- Scenes from your street or road
- Anything that you think is likely to change
- Interior and exterior shots of your home
- Photos of you in your favourite daily clothes
- Photos of your car(s)
- Photos of your workplace/School
- a photo of your laptop or desktop computer
